

SPONGEBOB. Catchy name.

SANDY. Okay! Duty calls. To the mountain!

[TRACK 34: DUTY CALLS]

SPONGEBOB. Heroes, march!

(SANDY and SPONGEBOB exit as PLANKTON and KAREN enter.)

START

PLANKTON. If they reach the top and save the town, my scheme will be ruined! And I still don't have a plan to stop them.

KAREN. Don't worry, Sheldon. I've got just the thing.

(KAREN reveals the giant Avalanche Maker 3000™ machine.)

PLANKTON. My Avalanche Maker 3000! Where'd you find it?

KAREN. It was under your Tsunami Maker 2000, across from your Tornado Maker 5000... next to the mop. We can use it to start a landslide that they'll never survive. Then Chumville, here we come!

PLANKTON. Oh Karen. It's evil. It's diabolical. It's... *(Sniffs it.)* ...lemon-scented.

KAREN. Gloat for me, baby.

PLANKTON. Mwahahahaha...

KAREN. Mwahahahaha...

PLANKTON & KAREN. Mwahahahaha...

END

Scene Nine: Bikini Bottom Town Square

(The Doomsday Clock is ticking.)

(The FIVE SARDINE DEVOTEES roll in PATRICK on a luxury throne. They're showering him with intense - bordering on slightly terrifying - adulation. They wave palm fans or peel him grapes, etc.)
